City Manager Peter H. Vargas made the following presentation: "The County of Webb requests of the City of Laredo, and the City agrees, pursuant to Section 4 of the Interlocal Cooperation Act, to enter into an agreement to perform certain governmental functions and services in the area described by metes and bounds in Exhibit A attached hereto, and Webb County does hereby grant authority to the

City of Laredo to apply the rules and regulations now in effect, and as hereinafter modified, by Webb County for subdivision growth and regulation in the aforementioned area of Webb County. In this connection, Webb County intends to review and revise its subdivision regulations after analysis of the same by County and City staff with appropriate recommendations for revision to the Commissioners' court so that the subdivision regulations may be brought as close to those of the City of Laredo as the County Commissioners deem appropriate in view of the intention of this agreement between the parties to promote orderly growth and development. Furthermore, the parties agree that if there is statutory authority for the parties to do so, then Webb County asks the City of Laredo to enforce the City's Subdivision Regulations in the area described by metes and bounds in Exhibit A attached hereto, and such regulations shall apply in lieu of those of Webb County in that area. All subdivision and development plans in the described area will be submitted to the Planning and Zoning Commission of the City of Laredo for approval of the same, which approval will be subject to the Subdivision Ordinance of the City of Laredo in that part of the described area lying within the extraterritorial jurisdiction of the City, and will be subject to the rules and regulations of the County in that part of the described area lying outside the extraterritorial jurisdiction of the City of Laredo."

City Manager Peter H. Vargas further explained that the above accomplishes the ability to control the development for the protection of the river.

Councilmembers Jacinto P. Juarez and Blas Castaneda concurred with staff recommendations as did Mr. Rick Reyes, of the County Judge's office.

Cm. Cortez requested continuance of enforcement of the ordinance that no water be made available to new subdivisions outside of the City of Laredo.
