

ORDINANCE 2019-O-162

AN ORDINANCE OF THE CITY OF LAREDO, TEXAS, AMENDING CHAPTER 13, "FOOD AND FOOD PRODUCTS," ARTICLE II "FOOD PRODUCTS ESTABLISHMENTS" OF THE CITY OF LAREDO CODE OF ORDINANCES PROVIDING CLARIFICATION ON THE ADOPTION OF RULES, REGULATIONS AND ASSOCIATED FEES FOR FOOD TRUCKS; PROVIDING THAT THIS ORDINANCE SHALL BE CUMULATIVE; PROVIDING A SEVERABILITY CLAUSE; PROVIDING FOR PUBLICATION; AND DECLARING AN EFFECTIVE DATE.

WHEREAS, it is the intent of the City of Laredo to provide for the public health, safety and welfare of its residents as it relates to food and food products, food service establishments, retail food stores, mobile food units, roadside vendors and food trucks.

NOW, THEREFORE BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF LAREDO THAT:

Section 1: Chapter 13 "Food and Food Products," Article II "Food Products Establishments" of the City of Laredo Code of Ordinances, is hereby amended as follows:

Sec. 13-21. - Definitions.

As used in this article, the following terms shall have the indicated meanings:

Food products shall mean or include any substance, whether solid or liquid and whether of animal or vegetable origin, intended to be used or commonly used as food or drink for human beings or for human consumption.

Food products establishment shall mean and include any place or establishment occupied, used or maintained for the purpose of selling, offering for sale, exposing for sale, or keeping with the intention of selling, or manufacturing for sale, any food product, such as meat markets, butcher shops, fish markets, bakeries, confectioneries, ice cream factories, places for handling, preparation for sale of dairy products or canned or prepared foodstuffs; hotels, restaurants, grocery stores, *food trucks*, fruit markets, vegetable markets, vegetable and fruit vendors peddling by wagon or otherwise, soda fountains, bottling works, vinegar or pickle factories, and all similar businesses handling or having to do with foodstuffs, and shall include every room used for the purpose of any such business in the keeping, storing, manufacturing, preparing, handling, distributing, selling, serving or offering for sale of any food products as herein defined, whether raw, cooked or otherwise prepared, or any liquid intended as a food or drink for human beings, and all places and premises connected with any such room and rooms. The term shall include an operation that stores, prepares, packages, serves, or otherwise provides food for human consumption.

Food Establishment Rules means Title 25 of the Texas Administrative Code, Part 1, Chapter 228 (Texas Food Establishment Rules).

Food Trucks shall mean a vehicle-mounted, self or otherwise propelled, self-contained food service operation, designed to be readily movable and used to store, prepare, display, serve or sell food.

Food Truck Court shall mean a designated area on private property for two or more food trucks.

...

Sec. 13-24. – Food Truck Regulations.

- (a) Food trucks shall comply with all regulations that pertain to Mobile Food Units as set forth in the Food Establishment Rules.
- (b) It shall be unlawful to operate a food truck without (1) a license from the Health Department issued in accordance with Chapter 13, Division 2; (2) a Certificate of Occupancy from the Building Department; and (3) a permit from the Fire Department. These shall be displayed in a visible location in or on the food truck.
- (c) Food choices for food trucks shall be limited to those that can be served or prepared in compliance with the Food Establishment Rules adopted by the City.
- (d) Food trucks operating on private property shall provide the City a copy of written permission from the property owner to allow the operation of the food truck. A copy of the owner's written permission to operate in a specific location signed by the owner shall be kept within the food truck at all times.
- (e) Food trucks shall not locate on right-of-way without prior approval from the Traffic and Police Departments.
- (f) Food trucks may operate at designated areas within certain Parks and Recreation Centers and Parks pursuant to a written agreement with the Parks and Recreation Department.
- (g) If providing on-site sit-down eating, the food truck shall provide a copy of written consent from the owner of a business within 20 ft. of the food truck allowing employees and customers of the food truck to use flushable restrooms, or shall provide mobile restroom facilities as approved by the Health Department.
- (h) Food trucks shall be equipped with a portable trash receptacle placed near the unit for customer use, and shall be responsible for proper disposal of solid waste.
- (i) Food truck must be a self-contained truck, in good mechanical conditions and presentation, with current registration and license plates.
- (j) Food trucks courts shall comply with all applicable building, zoning, and fire department requirements.
- (k) Food trucks shall have wheel chocks and be at least ten (10') feet from parked vehicles, food trucks, and any other structures.
- (l) Electrical, Mechanical and Plumbing must be up to current code and inspected. Food trucks shall have the following:
 - (1) Proper grease trap
 - (2) Main Shutoff valve
 - (3) Proper exhaust
 - (4) GFI in all electrical outlets
 - (5) Three compartment sink with hot and cold water
 - (6) Proper Gas hook ups

- (7) Range hood must provide proper ventilation
- (m) Food trucks shall comply with the latest adopted edition of the International Fire Code.
- (n) Fire extinguishers are required in food trucks and shall be installed and maintained as follows:
- (1) All food trucks shall have at minimum one (2A10BC) portable fire extinguisher mounted in a conspicuous place within the kitchen area.
 - (2) For food trucks with a portable generator the size of fire extinguisher shall be increased to a (4A80BC) portable fire extinguisher
 - (3) In addition to any other required fire extinguisher, all food truck vendors who deep fry shall have a class K portable fire extinguisher
 - (4) All portable fire extinguishers shall be serviced, inspected, and tagged annually by a licensed fire extinguisher company.
- (o) Use of Liquefied Petroleum Gas (LPG): usage shall comply with the following:
- (1) All LPG containers shall be limited to 60 pounds gas capacity. Two 30-lb containers may be manifold when equipment is approved in advance.
 - (2) When the project requires a greater amount of LPG for a specific appliance, a maximum of one 100-pound cylinder may be used when approved in advance.
 - (3) LPG containers shall be located and secured on the exterior of the food truck, open to atmosphere or if containers are kept in compartment, said compartment must be separate from the interior food preparation area.
 - (4) Access must be from the exterior of the unit and compartment floor and exterior door must be vented to the atmosphere.
- (p) All food trucks with propane shall post a "NO SMOKING" sign next to or directly above the propane bottle and visible to the public. Such sign shall be posted with a minimum of four inch lettering. Hoses used to pipe LPG to a device shall be listed by UL, FM, or other approved agency and listed specifically for LPG service. All couplings, fittings, and any other devices shall meet the requirements for LPG Service as outlined in the International Fuel Gas Code, NFPA 58 and 54, or be deemed unapproved and removed from service. LPG tanks shall be located outside the food truck a minimum of five feet from the primary means of egress.
- (q) Baffles and Hoods: All deep-fat fryers shall have a steel baffle between the fryer and surface flames of an adjacent appliance or shall maintain a 16 inch separation distance. The baffle, if installed, shall be eight inches in height above the highest appliance. All of the cooking appliances producing grease laden vapors must be under a type 2 hood. No part of the appliance can extend beyond the outer lip of the hood.
- (r) Emergency Egress. Emergency egress shall comply with the following:
- (1) Food trucks shall have a clear, unobstructed height over the aisle-way portion of the unit of at least 74 inches from floor to ceiling, and a minimum of 30 inches of unobstructed horizontal aisle space.
 - (2) Should travel distance from any portion of the interior exceed 16 feet, the food truck shall have a minimum of two exits located remote from each other and so arranged as to provide a means of unobstructed travel to the outside of the vehicle.
 - (3) A secondary means of egress shall be located remote of the main exit door.
 - (4) The latch mechanism of any exit facility shall be operable by hand, and shall not require the use of a key or special knowledge for operation from the inside. The secondary exit shall be labeled with the word "EXIT" with four inch minimum letters on contrasting background.

- (s) Extension Cords: Extension cords and cables shall be of a grounded type and approved for outdoor use. Extension cords shall not be frayed, worn, or in pedestrian traffic areas unless they are secured.
- (t) Generators: All generators shall be located away from the public and public pathways with a barrier installed around every generator so as to prevent persons from tampering with electrical cords, and prevent persons from coming in contact with hot equipment. Refueling of generators shall be performed in an approved location not less than 20 feet from the food truck. Fuel shall be stored in a UL or FM approved flammable liquid safety container in an approved location. Generators shall be grounded in an approved method. Generators shall not be refueled in areas occupied by the public.
- (u) It shall be the responsibility of the food truck permit holder and/or the operator to ensure compliance with this section.

...

Sec. 13-35. - Application.

- (a) Every person, firm or corporation desiring to establish, maintain or operate a food products establishment shall make written application for a license therefor. The application shall contain the name(s) and residence(s) of the applicant or applicants depending upon whether the application is for an individual, for all members of an association or partnership, or for the directors and officers of a corporation as well as the location and description of the premises where the food products establishment is to be operated. The application shall be filed with the health department.
