Citizen comments

Ada Aurora Gonzalez explained that she worked downtown with her parents and didn't want to risk the possibility of losing their property which had been in the family for more than three generations. She asked that they dissolve the Municipal Management District.

Julian Rotnofsky stated that as a property owner, downtown rent had been going down. He was in favor of the Municipal Management District. He felt that it would allow them to put a plan together and revitalize the downtown.

Ricardo De Anda reported that he was in favor of the Municipal Management District.

Mario Peña stated that he owned an architectural firm and had appeared to speak in favor of the Municipal Management District.

Sandra Rocha Taylor stated that she traveled to Austin to testify on behalf of two bills coming before the House of Representatives, 613 and 295, to restrict how these entities come to be. She explained that they will require over 50% signed petitions from property owners as opposed to how this one was created. She added that it was very eye-opening for them to hear other Municipal Management District from Houston testifying as to how their money was being frivolously spent and how their recommendations were not taken into account; everyone had the same comment, "taxation without representation." She concluded that the Hawes Hill Calderon firm had a monopoly on these entities and advised that they educate themselves on what these entities do in other cities before they allow it to take root here.

Tomas Izaguirre, Laredo Downtown Pharmacy, stated that his concern was that the Municipal Management District would make it more difficult for businesses to prosper downtown.

Lily Bernal, representing El Meson de San Agustin Restaurant, stated that she was against the Municipal Management District because they were not informed.

Jesus Vasquez and Gustavo Perez of DustyTRON from TAMIU's School of Engineering stated that they would be representing TAMIU competing in this year's NASA robotics competition from May 17-22, 2015 at Cape Canaveral. He added that only three universities from Texas were invited to this competition.

Gilbert Peña reported that they don't want pills, they wanted natural medication that was better for them. He added that in some states, marijuana was decriminalized. He went on to say that this could generate millions of dollars in revenue and that people seeking natural medication were not criminals.

Yuhuan Kou spoke on improving train blocking problems. She went on to state that there were railroads on both sides of their property on Chicago Street, and sometimes they were blocked on both sides at the same time. She added that she was afraid in case of a fire or medical emergency and requested extra help.

END OF CONSENT AGENDA

XIII. GENERAL COUNCIL DISCUSSIONS AND PRESENTATIONS

32. A. Request by Mayor Pete Saenz
 1. Review of less than \$50,000.00 contracts by City Manager, with possible action.

Mayor Saenz stated that he felt they should have a policy in place because, in keeping with transparency, he thought there should be a process where all contracts would come before City Council.

Mayor Pro Tem Rangel reported that he had put that on the agenda on February 2nd and that the motion was to have a monthly report in their Friday packets with a 6-for, 2-against vote to allow the City Manager to

approve contracts for less than \$50,000. He wished to go on record to state that if the City Manager were not allowed any leeway, his hands were being tied; as a city, they needed to move forward. He concluded that their staff was very transparent.

B. Request by Council Member Alejandro "Alex" Perez

1. Presentation by Chano Aldrete of Chano's Patio on the Laredo Burger Cook-Off to be held at Slaughter Park on May 30, 2015, with possible action.

Cm. Perez reported that he was in favor of having a Cook-Off at Slaughter Park.

Chano Aldrete stated that Chano's had been around for about a year. He added that they wanted to create the Laredo Burger by having Laredoans voting for it. He felt that this cook-off would bring awareness to this beautiful park and they wished for the city to be part of it. He concluded that 14 different judges would be judging the event.

Motion that the City commits discretionary funds to the Laredo Burger Cook-Off event.

34. Discussion with possible action to approve the City Manager's employment contract. At a past City Council Meeting, Council directed staff to prepare an

employment contract for the new City Manager to include a salary identical with that of the former City Manager, including appropriate benefits. Yearly salary set at \$249,202.32 including car and phone allowance as part of salary.

City Attorney Raul Casso reported that they were instructed to prepare a contract identical to the former City Manager; however, this contract was leaner than the previous one so that the increasing incentive severance package was not included. He added that the present City Manager had elected not to include that provision and so the only severance package he would receive would be a one-year package if he were involuntarily terminated for his protection.

Motion to approve.

XV. EXECUTIVE SESSION

35. Request for Executive Session pursuant to Texas Government Code Section 551.074 to deliberate the duties and contractual terms of the City Manager and return to open session for possible action regarding the City Manager's employment contract, and any matters related thereto.

This item was discussed together with item 34.

36. Request for Executive Session pursuant to Texas Government Code Section 551.071(1)(a) to consult with attorney on pending litigation: Cause No. 2015CVQ001077-D3; Laredo Merchants Association v. City of Laredo; in the 341st Judicial District Court, Webb County, Texas; and return to open session for possible action.

City Attorney Raul Casso reported that they had a hearing on the temporary injunction that morning which resulted in a dismissal of the case.
